LYMPHOMA
SOCIETY®

LIGHT THE NIGHT® WALK

The Leukemia & Lymphoma Society's Light The Night® Walk funds therapies and treatments that are saving lives every day. Friends, families and co-workers can all participate in almost 200 walks across the country. With a collective force, participants have the power to walk to the end of cancer.

walks
nationwide

250,000
participants
every year

who
family, friends,
co-workers and companies

\$557 million+

raised by participants since 1999

in lifesaving treatments, thanks to the support of Light The Night and other LLS fundraising programs.

fact:

LLS-funded research has led to many of today's most promising advances, including targeted therapies and immunotherapies. LLS exists to find cures for blood cancers not someday, but today.
